

netammelat

We are **Katri ja Ilkka Tammela**, a couple in our late forties, sharing a strong passion for meaningful travel and holistic wellbeing. We have visited all **seven continents** and more than **70 countries**, which has given us unique experiences and deep expertise in travel.

We create visually compelling storytelling and versatile content across multiple channels through text, photography, and video. By combining **adventure** and **wellbeing**, we offer authentic insights that inspire thousands of followers to turn their own travel dreams into reality.
